

# Travel Scrapbook

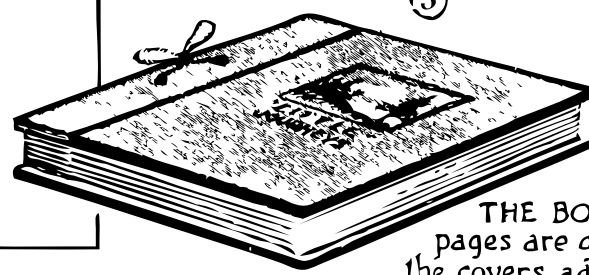

The page is first

①  folded like this

② With a ruler fold back 1 inch like this 

③  Fold another 1 inch back like this

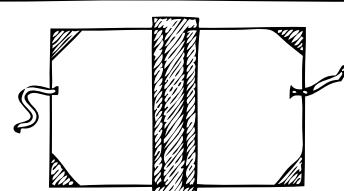

④  CLOTH

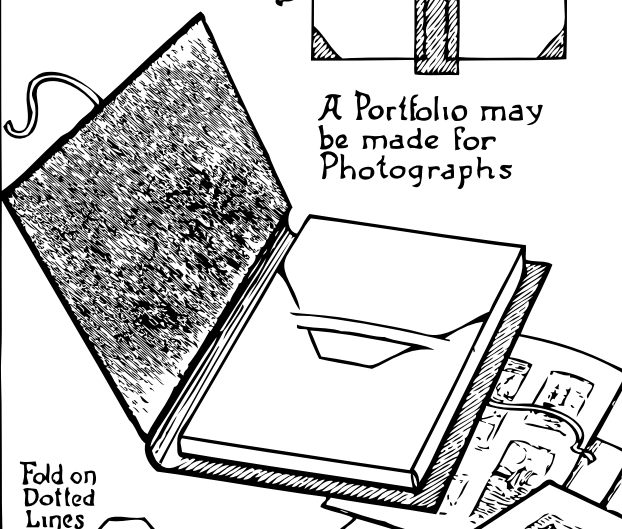

⑤  THE BOOK pages are gathered, the covers added and corded together

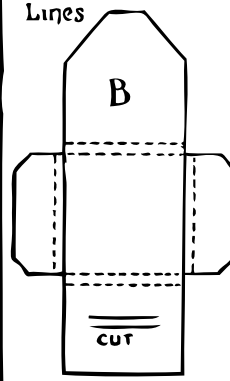

A cover design completes the construction

Each cover is made in two pieces with a strip of cloth for a hinge.

 Corners

 A Portfolio may be made for Photographs

 Fold on Dotted Lines

 B  
CUT

The inside folio is made as shown in B, to hold the sheets on which the photos are mounted.

 Stitch several pages as shown, thru 3 holes

Tie bow knot on inside of pages

 Next assemble pages and loop cord or tape around the backs

 Paste here

cardboard

Paste only the inside ends of cover

The cover is then fastened around the assembled book
